Mr. Steven Snell and Faculty,

Artrageous is looking forward to another successful year in partnering with each campus to provide educational opportunities that incorporate art.

Below are some of the experiences funded by Artrageous for the 2015-2016 school year:

- African drumming band performance
- Drum fit for PE classes
- Trip to Ellis Pottery for pumpkin painting
- Funding for art supplies for classroom projects
- Class trips to museums
- Class trips to theatre performances

I encourage each grade level to look forward and envision ways that Artrageous can facilitate in incorporating art into the educational experiences of their students.

Below are some resources to consider:

- Young Audiences [yanetexas.org](http://yanetexas.org)
- The Cowen center
- The Belcher Center
- Create Art
- Longview Museum of Fine Arts
- Longview World of Wonders
- Artsview Children's Theatre

Attached is an event request form. We ask that you take time to research and submit your request. Artrageous does have limitations on expenditures, so please get your request forms in as soon as possible.

If you have any questions, please feel free to contact me at (936)675-3307 or [brschott123@gmail.com](mailto:brschott123@gmail.com).
